Welcome!

The Delavan Park and Recreation Department invites you to look over our fall 2016 program guide. If you are looking to try something new or even just have fun, we have the programs and services for you. A lot of talented and gifted individuals, many of whom are volunteers, are continually putting forth top-notch efforts to provide the best services possible.

Our hope is that each and every resident of Delavan can find a place to enjoy life to the fullest in our Parks and Recreation facilities and programs. We are not only looking to serve our residents, but also show non-residents how great it is to be a resident in Delavan.

I would personally like to thank everyone who has taken classes with us or visited one of our parks throughout the past year. We are always looking to improve our facilities and programs. If you have a program idea for us, we are always willing to hear about it. We look forward to building a clean, safe, and positive community not only in our parks, but also in Delavan as a whole.

Thomas F. Klug  
Director of Parks and Recreation

### **Deadlines & Late Registration Fee**

Please note program registration deadlines. Late registrations will be accepted if possible. A late fee of 25% of the program fee shall be charged for registrations accepted after a program's stated deadline. It is our hope to encourage registration by the deadline, not add revenue. So register early! Don't miss a chance to participate or let a program be cancelled by registering late.

### **Fee Structure & Non-Resident Fee Policy**

The Parks and Recreation Department charges participant fees to limit taxpayer subsidization. Fees are developed to recover direct costs of programming. Those not residing within the City of Delavan are considered non-residents, and will pay a slightly higher fee in lieu of tax contribution. In situations where the Department partners with another tax-supported agency, such as the School District, County or Township, residency status, relating to program fees, is extended to include the taxpayers of these agencies.

### **Refund Policy**

The intent of this policy is to make possible the refunding of registration fees and charges based upon circumstances beyond the control of a program participant.

- A refund less 20% service charge, not to exceed \$5 will be granted if a refund request is received at least seven (7) days prior to the start of a program.
- No refunds shall be granted if request is received after the seven (7) day period unless there is a medical condition.
- A refund will be granted for a medical condition that prohibits an individual's ability to participate in a program minus the 20% service charge and a prorated program charge.

Refunds cannot be granted for programs requiring advanced reservations, facility rentals, WPRA discount tickets, or for programs that are 50% completed.

### **Cancelled Classes**

All programs are subject to change. Programs will be subject to cancellation should low attendance warrant such a decision. There may be times classes need to be cancelled due to weather, facility scheduling, etc. We will attempt to reschedule the class, however, if we are unable to make up the class, there will be NO REFUNDS given for class cancellations. For program closing due to inclement weather, or other reasons, call (262) 728-5585 ext. 222.

### **Age Requirements**

Adult programs are open to anyone age 18 and older, unless otherwise specified. Youth programs involving team sports will be organized by age or grade level. The age/grade requirements for each program are listed in this program guide. Participants will not be allowed to move up to a program if they haven't reached the required age or grade. Individualized programs may be organized by experience or skill level.

### **Non-Discrimination Policy**

The Delavan Parks and Recreation Department will not exclude any person from participating in a program or activity on the basis of race, color, national origin, sex, age, or disability. Please contact the Parks & Recreation Department if you need specific accommodations in order to participate.

### **Financial Assistance**

Financial assistance is available for those unable to pay registration fees. Those requesting assistance must fill out a financial assistance form. For more information, please contact the Parks and Recreation Department. Parents are encouraged to contact Tom Klug, Parks & Recreation Director at (262) 728-5585 ext. 132.

### **Have a program idea?**

Do you have a skill, talent, or knowledge you would like to share through the Recreation Department? The Parks and Recreation Department always welcomes suggestions for the development of "new" program offerings. Contact us for a program proposal form at (262) 728-5585 ext. 2.

### **Risk/Personal Liability**

Participants must recognize that all programs of a physical nature involve risk. By registering for a program/activity of this nature there is assumed risk by the participant. The City of Delavan Parks & Recreation Department does not provide medical insurance to participants, and assumes no liability for personal injuries of persons participating or attending City programs. A participant's personal insurance policy must cover any incurred medical-related costs.

### **Photo Policy**

Parks and Recreation staff may on occasion photograph participants enrolled in programs, classes, events or enjoying park facilities. These photographs are for Parks & Recreation publications, flyers, and brochures. All photos taken by staff are for the Parks & Recreation Department's use and become its sole property. If you do not wish to have your or your child's photo taken, please inform the photographer.

## Parks

The Delavan Parks & Recreation Department maintains nearly 200 acres in over 20 parks and public open spaces including two arboretums; a conservancy; a cemetery; ball fields; playgrounds; tennis courts; basketball courts; a skateboard park; picnic areas; a recreation building/beach house, shelters and gazebos; a band shell; a sledding hill; ponds, creeks and pedestrian/bike trails. We also maintain public restrooms and parking lots and assist the Department of Public Works with street tree planting, watering and maintenance. We are extremely proud of our beautification efforts around the City as we plant and maintain over 30 flower beds.

We provide facilities, equipment and services for many community-wide special events such as the Fourth of July “Let Freedom Ring” Parade and Celebration, Cinco de Mayo Celebration, Delavan Daze, Scarecrow Fest and more. We also make facilities such as the Mill Pond available for public swimming and coordinate with local schools to offer programming in their facilities.
