SEC. 7-1-2 ISSUANCE OF DOG AND KENNEL LICENSES.

(a) **Dog Licenses.**

- (1) It shall be unlawful for any person in the City of Delavan to own, harbor or keep any dog more than five (5) months of age without complying with the provisions of Section 174.05 through Section 174.10, Wisconsin Statutes, relating to the listing, licensing and tagging of the same. This license requirement shall not apply to the temporary housing of dogs on grounds licensed by the State of Wisconsin for the purpose of providing pari-mutuel betting.

- (2) The minimum license tax under this Section shall be Five Dollars (\$5.00) plus the Walworth County fee for spayed females or neutered males. The minimum fee for unspayed or unneutered animals shall be Fifteen Dollars (\$15.00) plus the Walworth County fee. The license year shall commence January 1 and end December 31. (Amended 11-15-2016, Ord RC-374)
 - (3) Upon payment of the required license tax and upon presentation of evidence that the dog is currently immunized against rabies, as required by Section 7-1-2 of this Chapter, the City Treasurer shall complete and issue to the owner a license for such dog containing all information required by state law. The City Treasurer shall also deliver to the owner, at the time of issuance of the license, a tag of durable material bearing the same serial number as the license, the name of the county in which issued and the license year.
 - (4) The owner shall securely attach the tag to a collar and the collar with the tag attached shall be kept on the dog for which the license is issued at all times, except as provided in Section 7-1-2(e).
 - (5) The fact that a dog is without a tag attached to the dog by means of a collar shall be presumptive evidence that the dog is unlicensed. Any City police or humane officer shall seize, impound or restrain any dog for which a dog license is required which is found without such tag attached.
 - (6) Notwithstanding the foregoing, every dog specifically trained to lead blind or deaf persons is exempt from the dog license tax, and every person owning such a dog shall receive annually a free dog license from the City Treasurer upon application therefor.
- b) **Kennel Licenses.**
- (1) Any person who keeps or operates a kennel may, instead of the license tax for each dog required by this Chapter, apply for a kennel license for the keeping or operating of the kennel. Such person shall pay for the license year a license tax of Thirty Dollars (\$30.00) for a kennel of twelve (12) or fewer dogs and an additional Ten Dollars (\$10.00) for each dog in excess of twelve (12). Upon payment of the required kennel license tax and, if required by the Common Council, upon presentation of evidence that all dogs over five (5) months of age are currently immunized against rabies, the City Treasurer shall issue the kennel license and a number of tags equal to the number of dogs authorized to be kept in the kennel. Kennels may only be established in locations following issuance of a conditional use permit pursuant to the City Zoning Code.
 - (2) The owner or keeper of a kennel shall keep at all times a kennel license tag attached to the collar of each dog over five (5) months old kept by the owner or keeper under a kennel license but this requirement does not apply to a show dog during competition, to a dog securely confined indoors or to a dog securely confined in a fenced area. These tags may be transferred from one dog to another within the kennel whenever any dog is removed from the kennel. The rabies vaccination tag or substitute tag shall remain attached to the dog for which it is issued at all times but this requirement does not apply to a show dog during competition or to a dog securely confined indoors. No dog bearing a kennel tag shall be permitted to stray or to be taken any where outside the limits of the kennel unless the dog is in leash or temporarily for the purposes of hunting, breeding, trial, training or competition.
 - (3) A condition of a kennel license shall be that the licensed premises may be entered and inspected at any reasonable hour by the City Health Officer without any warrant, and the application for a license hereunder shall be deemed a consent to this provision. Any refusal to permit such inspection shall automatically operate as a revocation of any license issued hereunder and shall be deemed a violation of this Section. Should any kennel be found to constitute a public nuisance, the license shall be revoked and the nuisance abated pursuant to City ordinances.

State Law Reference: Section 174.053, Wis. Stats.

SEC. 7-1-3 LATE FEES.

- (b) **Exemption of Vaccinated Dog or Cat from City Quarantine.** A dog or cat which is immunized currently against rabies, as evidenced by a valid certificate of rabies vaccination or other evidence, is exempt from the City quarantine provisions of Subsection (a) if a rabies vaccination tag or substitute tag is attached to the dog's or cat's collar.
- (c) **Quarantine or Sacrifice of an Animal Suspected of Biting a Person or Being Infected or Exposed to Rabies.** An animal control or law enforcement officer shall order an animal quarantined if the officer has reason to believe that the animal bit a person, is infected with rabies or has been in contact with a rabid animal. If a quarantine cannot be imposed because the animal cannot be captured, the officer may kill the animal if the officer has reason to believe the animal bit a person or is infected with rabies pursuant to Sec. 95.21(4)(a), Wis Stats. The officer shall attempt to kill the animal in a humane manner and in a manner which avoids damage to the animal's head.

If a dog or cat is ordered to be quarantined because there is reason to believe that the animal bit a person, the custodian of an isolation facility or the owner shall keep the animal under strict isolation under the supervision of a veterinarian for at least ten (10) days after the incident occurred. In this paragraph, "supervision of a veterinarian" includes, at a minimum, examination of the animal on the first day of isolation, on the last day of isolation and on one (1) intervening day. If the observation period is not extended and if the veterinarian certifies that the dog or cat has not exhibited any signs of rabies, the animal may be released from quarantine at the end of the observation period.
 - (3) Risk to animal health.
 - a. If a dog or cat is ordered to be quarantined because there is reason to believe that the animal has been exposed to a rabid animal and if the dog or cat is not currently immunized against rabies, the custodian of an isolation facility or the owner shall keep the animal leashed or confined for one hundred eighty (180) days. The owner shall have the animal vaccinated against rabies between one hundred fifty-five (155) and one hundred sixty-five (165) days after the exposure to a rabid animal.
 - b. If a dog or cat is ordered to be quarantined because there is reason to believe that the animal has been exposed to a rabid animal but if the dog or cat is immunized against rabies, the custodian of an isolation facility or the owner shall keep the animal leashed or confined for sixty (60) days. The owner shall have the animal revaccinated against rabies as soon as possible after exposure to a rabid animal.

- (4) Sacrifice of a dog or cat exhibiting symptoms of rabies. If a veterinarian determines that a dog or cat exhibits symptoms of rabies during the original or extended observation period, the veterinarian shall notify the owner and the officer who ordered the animal quarantined and the officer or veterinarian shall kill the animal in a humane manner and in a manner which avoids damage to the animal's head. If the dog or cat is suspected to have bitten a person, the veterinarian shall notify the person or the person's physician.
- (e) **Delivery of Carcass; Preparation; Examination by Laboratory of Hygiene.** An officer who kills an animal shall deliver the carcass to a veterinarian or local health department. The Laboratory of Hygiene shall examine the specimen and determine if the animal was infected with rabies. The State Laboratory of Hygiene shall notify the City, the veterinarian or local health department which prepared the carcass and, if the animal is suspected to have bitten a person, that person or the person's physician.
- (f) **Cooperation of Veterinarian.** Any practicing veterinarian who is requested to be involved in the rabies control program by an officer is encouraged to cooperate in a professional capacity with the City, the Laboratory of Hygiene, the local health department, the officer involved and, if the animal is suspected to have bitten a person, the person's physician.
- (g) **Responsibility for Quarantine and Laboratory Expenses.** The owner of an animal is responsible for any expenses incurred in connection with keeping the animal in an isolation facility, supervision and examination of the animal by a veterinarian, preparation of the carcass for laboratory examination and the fee for the laboratory examination. The Police Department shall conduct an investigation of the applicant, including, but not limited to, requesting information from the State,

- surrounding municipalities, and/or any community where the applicant has previously resided concerning the applicant's arrest and conviction record. These officials shall furnish to the City Clerk in writing, who shall forward to the General Operations Committee, the information derived from such investigation. The General Operations Committee will make a recommendation as to whether a license should be granted or refused. No license shall be renewed without a re-inspection of the premises and report as originally required.
- (b) If the General Operations Committee recommends the denial of the application, the applicant shall be notified by the City Clerk at not less than three (3) nor more than ten (10) days prior to the Council meeting at which the application is to be considered. The notice shall set forth the basis for such recommendation and inform the applicant of the opportunity to appear before the Common Council.

For purposes of this licensing procedure, "habitually been a law offender" is generally considered to be an arrest or conviction of at least two (2) offenses which are substantially related to the licensed activity within the five (5) years immediately preceding the license application. Because a license is a privilege, the issuance of which is a right granted solely to the Common Council, the Common Council reserves the right to consider the severity and facts and circumstances of the offense when making the determination to grant, deny or not renew a license. Further, the Council at its discretion, may, based upon an arrest or conviction record of two (2) or more offenses which are substantially related to the licensed activity within the five (5) years immediately preceding, act to suspend such license for a period of one (1) year or more.
 - (d)
 - (1) If the Common Council denies the license, the applicant shall be notified in writing, by registered mail or personal service, of the reasons for the denial. The notice shall also inform the applicant of the opportunity to appear before the Common Council and to provide evidence as to why the denial should be reversed. In addition, the notice shall inform the applicant that the reconsideration of the application may be held in closed session, pursuant to Sec. 19.85(1)(b), Wis. Stats., unless the applicant requests such reconsideration be held in open session and the Common Council consents to the request. Such written notice shall be mailed or served upon the applicant not less than three (3) nor more than ten (10) days prior to the Common Council meeting at which the application is to be reconsidered.
 - (2) If, upon reconsideration, the Council again denies the application, the City Clerk shall notify the applicant in writing of the reasons therefor. For purposes of this licensing procedure, "habitually been a law offender" is generally considered to be an arrest or conviction of at least two (2) offenses which are substantially related to the licensed activity within the five (5) years immediately preceding the license application. Because a license is a privilege, the issuance of which is a right granted solely to the General Operations Committee, the General Operations Committee reserves the right to consider the severity, and facts and circumstances of the offense when making the determination to grant or deny an original license.

SEC. 7-2-36 REVOCATION OR SUSPENSION OF OPERATOR'S LICENSE.

Violation of any of the terms or provisions of the State law or of this Chapter relating to operator's licenses by any person holding such operator's license shall be cause for revocation or suspension of the license. Processions, Parades, Runs, Walks, Bicycle Races and Marathons

- 7-5-1 Purpose; Definitions
- 7-5-2 Permit Requirements

SEC. 7-5-1 PURPOSE; DEFINITIONS.

- (a) **Purpose.** The City of Delavan recognizes that City streets and highways are primarily for the use of vehicular travel. It further recognizes a need to use these public streets and highways for processions, parades, runs, walks, bicycle races, marathons, etc., which do not substantially interfere with the public's right to travel on such streets and highways. This Chapter is intended to regulate and control non-vehicular use of the streets and highways and for protecting the general welfare and safety of the persons using the streets and highways within the City. Said authority to regulate is contained in Sec. 349.185, Wis. Stats., and related sections.
- (b) **Definitions.** As used in this Chapter:
 - (1) "Processions, parades, runs, walks, marathons, bicycle races, or like event," means their usual and customary usage.
 - (2) "Highways" or "streets" have the meaning set forth in Sec. 340.01, Wis. Stats., and also include areas owned by the City of Delavan which are used for vehicular traffic.

SEC. 7-5-2 PERMIT REQUIREMENTS.

- (a) **Permit Required.** No person shall form, direct, lead or participate in any procession, parade, run, walk, marathon, bicycle race, or like event, on any street or highway under the jurisdiction of the City unless a permit has been obtained in advance as provided in this Chapter.
- (b) **Exemptions from Permit Requirement.** A permit is not required for assembling or movement of a funeral procession or military convoy. Any other such event sponsored by any agency of the federal, state or municipal government, acting in its governmental capacity within the scope of its authority, shall be required to obtain a permit, however, shall be exempt from the parade permit fee and insurance requirements contained herein.
- (c) **When Application Must Be Made.** A written application for a permit for any above-described function on the streets and highways under the jurisdiction of the City shall be made by one (1) of the organizers or officers to the City Clerk on a form provided by said Clerk no less than fifteen (15) days prior to the usage. Application made less than forty-five (45) days prior to the day of the proposed usage must be made in person. Said time periods may be waived by the Mayor.
- (d) **Information Required in Application.** The application shall set forth the following information regarding the proposed usage:
 - (1) The name, address and telephone number of the applicant.
 - (2) If the usage is proposed to be conducted for, on behalf of or by an organization, the name, address and telephone number of the headquarters of the organization and of the authorized and responsible heads of such organization.
 - (3) The name, address and telephone number of the person who will be responsible for conducting the usage.
 - (4) The date when the usage is to be conducted and its duration.
 - (5) The assembly area, the starting point, the route to be traveled and the termination point.
 - (6) The number and size of participants or units comprising the usage.

- (7) If the usage is to be conducted by or for any person other than the applicant, the applicant for such permit shall file with the Clerk a communication in writing from the person proposing to hold the usage authorizing the applicant to apply for the permit on its behalf.
 - (8) Any additional information which the Clerk finds reasonably necessary for a fair determination as to whether a permit should be issued.
- (e) **Recommendations of Governmental Agencies.** The City Clerk shall submit a copy of the application to the Chief of Police and Director of Public Works for their recommendation.
- (f) **Basis for Discretionary Denial of Permit.** The application may be denied:
- (1) If it is for a usage that is to be held on a work day during hours when and at places where, in addition to the proposed usage, the flow of vehicular traffic is usually delayed by its own volume.
 - (2) If it is for a usage that is to be commenced between the hours of 9:00 p.m. and 9:00 a.m.
 - (3) If sufficient usage marshals are not provided as to reasonably assure the orderly conduct of the usage.
 - (4) If proposed route for conducting usage involves a street or highway under construction or detour route.
- (g) **Mandatory Denial of Permit.** The application shall be denied:
- (1) If it is for a usage that is primarily for private or commercial economic gain; or
 - (2) If it is for a usage which would involve violation of federal, state or local laws relating to use of highways or of other applicable regulations of the City; or
 - (3) If the granting of the permit would conflict with another permit already granted or for which application is already pending; or
 - (4) If the application does not contain the information required by Subsection (d); or
 - (5) If more than one (1) assembly area or more than one (1) dispersal area is proposed; or
 - (6) Failure to receive permit under Sec. 84.07(4), Wis. Stats.
- (h) **Permit Issued Unless Threat to Public Safety.** The City Clerk shall issue a permit to the applicant subject to the foregoing requirements of this Chapter, unless the Clerk concludes that
- (1) The policing of the usage will require so large a number of persons and vehicles, including ambulances, as to prevent adequate service of the needs of the rest of the municipality; or
 - (2) The usage will substantially hinder the movement of police and fire and other emergency vehicles as to create a substantial risk to persons and property; or
 - (3) The conduct of the usage will substantially interrupt the safe and orderly movement of other traffic contiguous to its route; or
 - (4) The usage is so poorly organized that participants are likely to engage in aggressive or destructive activity.
- (I) **Grant or Denial of Permit.**
- (1) Time When Required. The City Clerk shall act as promptly as he reasonably can on all applications for permits after consulting with other government agencies directly affected and after consulting with the applicant, if necessary. All applications filed forty-five (45) days or more in advance shall be granted or denied not less than thirty (30) days before the date of the usage stated in the application. Action on applications filed less than forty-five (45) days in advance shall be taken within fifteen (15) days after the application is filed, but in no case later than forty eight (48) hours in advance of the time applied for. The City Clerk shall immediately, by the most reasonable means of communication, notify the applicant of such action and, if the application is denied, the reasons for denial of the permit.
 - (2) Modification of Requested Permit. In lieu of denying a permit, the Clerk may authorize the changing of assembly areas or dispersal areas or the conducting of the usage at a date or time or over a route different than as applied for in the permit. The applicant or permittee may accept such modification by immediately notifying the Clerk in writing of such acceptance.

- (j) **Fee.** There shall be paid at the time of filing the application for a usage permit a fee of Twenty-five Dollars (\$25.00).
- (k) **Charge for Increased Costs.** Were the City Clerk determines that the cost of municipal services incident to the staging of the usage will be increased because of the usage, the Clerk may require the permittee to make an additional payment into the general fund of the City in an amount equal to the increased costs.
- (l) **Emergency Revocation.** The City Clerk, Mayor, City Administrator, or Chief of Police may revoke a permit already issued if the official deems that such action is justified by an actual or potential emergency due to weather, fire, riot, other catastrophe or likelihood of a breach of the peace, or by a major change in the conditions forming the basis of the standards of issuance. In lieu of revoking a permit, an above-named official may require the permittee to file evidence of good and sufficient sureties, insurance in force or other evidence of adequate financial responsibility, running to the City of Delavan and such third parties as may be injured or damaged, in an amount depending upon the likelihood of injury or damage as a direct and proximate result of the holding of the usage sufficient to indemnify the municipality and such third parties as may be injured or damaged thereby, caused by the permittee, its agents or participants.
- (m) **Usage Permit Contents.** Each usage permit shall state such information as the City Clerk shall find necessary to the enforcement of this Chapter.
- (n) **Copies of Usage Permit Distributed.** Immediately upon the issuance of a usage permit, the City Clerk shall send a copy thereof to the Chief of Police, City Administrator, Mayor and Director of Public Works.
- (o) **Compliance With Regulations.**
 - (1) **Permittee.** A permittee under this Chapter shall comply with all permit directions and conditions and with all applicable laws, ordinances and other regulations of the state and City.
 - (2) **Participants.** No person who leads or participates in any usage shall disobey or encourage others to disobey this Section after a law enforcement officer has directly and presently informed him or her of any of the provisions of this Section or the terms of the applicable usage permit.
